

Pumpkin Pie Card

Rina Gonzales

Level: Beginner

Time: 1 Hour

Supplies

- 1 – 9"x 12" Craft Cut of Kunin Corduroy in Walnut
- 1 – 9"x 12" Craft Cut of Kunin Classic in Cashmere Tan
- 1 – 9"x 12" Craft Cut of Kunin Classic in Orange
- 1 – Pack of Greeting Cards with Envelopes in White
- 1 – Pair of Scissors
- 1 – Fine Tip Pen in Black
- 1 – Hot Glue Gun with Glue Sticks
- OR**
- 1 – Bottle of Aleene's Turbo Tacky Glue

Directions

1. Cut a triangle piece of cashmere tan for the bottom crust of the pie. The triangle should be 2" wide at the top and 3½" in length, measured in center from top to tip. (Figure A)
2. Cut a rectangle of cashmere tan for the top crust. It should be ½" tall and 5" - 6" in length.
3. Cut a triangle of orange for the pie filling. The triangle should be 2" wide and 2¾" in length.
4. Glue the orange pie filling triangle to the bottom crust triangle.
5. Glue the top crust rectangle to the pie slice, making it look like a crimped pie edge by scrunching it as you hot glue it.

TIP: If you end up needing more crust (because you scrunch too much) just cut more felt and add more! I had to do this because my initial piece was too short; the good thing is that you can't tell if you add more because the scrunches will hide it.

6. Position and glue the completed pie slice to the front of the card.
7. Once the glue is dried, add a message to below the pie piece. I like any of these quotes that relate to pie:
 - "Eat more pie"
 - "For my pumpkin"
 - "Mmmmmmm....."
 - "Just a slice"
 - "Let's eat"
