

HOLIDAY GARLAND KIT DIRECTIONS

1. Lay out your green, red, and white rectangles into piles of 2.
2. Glue the piles of two together across the TOP only with Felt Glue.
3. Use the other pieces of felt to cut out pieces to create a hat, a snowman and a tree.
4. Put the twine between each layer once your glue is dry to a garland.
5. Embellish with buttons, etc. if desired using Beacon Felt Glue.
